

Sun semi-square Venus

Sun semi-square Venus

Challenging aspects to the Sun can point to difficulties realizing one's potential or obstacles to willpower. With Venus involved, these challenges can be over-indulgence and/or difficulties saying "no" to others. There can be a tendency to pass over opportunities to advance because of a resistance to giving up personal pleasures or habits.

Irritations that seem to stem from others could be the reflection of our own inner discomfort. It may be best to control yearnings for *more* and search for a creative solution for your inner dissatisfaction.
