

Sun opposition Jupiter

Sun opposite Jupiter

☉ ♃ Sun opposition Jupiter, Sun square Jupiter Although their intentions are generally good, people with challenging aspects between the Sun and Jupiter are given to overdoing things. They can easily gloss over realistic details and get themselves into debt, overindulge in pleasures such as food and drink, and promise more than they can deliver.

For the most part, they find help for their excesses. Somebody's there to bail them out, as plenty of people believe that their hearts are in the right place. Generally, this is the case, but if excessive behavior becomes a pattern, and the natives continually face light

reputation for being good people, thus, can eventually be used to further their purposes.

However, many people with this aspect don't fall into the trap of losing their sincerity. They are generous, helpful, and charitable. Still, the tendency to live beyond their means is a real possibility that many struggle with much of their lives.

Another thing to watch for is depression. These people tend to go through periods of intense highs when they are excessively optimistic. These periods are so marked that they seem to be unnatural and a fall seems to be inevitable. They can make promises they intend to keep, but have a problem with follow-through. Self-control can be a real problem, but over time, it's possible to work on discipline.

Usually quite knowledgeable and generous with their time, these people have many talents that they may take for granted.
